

MARK EUGENE BELARMINO

38 Fulton St., Lahug, Cebu City, Cebu | 09923006922 | markebelarmino@gmail.com

PROFESSIONAL SUMMARY

Dedicated and analytical-minded professional with over 6 years of experience in the Business Process Outsourcing (BPO) industry, specializing in workforce management, real-time analytics, and team leadership across retail, healthcare, and financial accounts. Proven ability to leverage data-driven insights to enhance operational efficiency, optimize service level agreements (SLAs), guide team performance, and support strategic decision-making. Skilled in incident management, dialer and WFM tools, and cross-functional vendor collaboration.

PROFESSIONAL EXPERIENCE

Sr. Executive Workforce Real-Time Analyst (Retail)

Jan 2024 – May 2026

Lumina Datamatics

- Monitored real-time KPIs across vendor partners, including call volume, Average Handle Time (AHT), and schedule adherence.
- Identified performance trends and operational gaps to optimize service levels and resource allocation.
- Developed detailed dashboards and operational reports for key stakeholders and leadership teams.
- Collaborated closely with vendors to improve operational efficiency, data accuracy, and service quality.
- Acted as the primary Point of Contact (POC) for vendor-related concerns, including system issues, skilling, and schedule adjustments.
- Led vendor Real-Time Analysts (RTAs), providing guidance on reporting, technical system issues, Line of Business (LOB) trends, drivers, and overall performance.

Workforce Real-Time Analyst (Healthcare, Financial, Sales)

May 2021 – Jan 2024

Virtual Staffing Solutions

- Managed real-time performance metrics and rigorous schedule adherence for multiple cross-functional teams.
- Built and optimized agent schedules based on volume demand forecasts and specific staffing requirements.
- Led incident management reporting and executed real-time performance corrections to mitigate service disruptions.
- Provided actionable insights and reports to operations leadership to help improve key performance metrics.

Team Leader for Healthcare

2020 – 2021

Virtual Staffing Solutions

- Supervised a specialized team managing patient monitoring through Remote Patient Monitoring (RPM) tools, ensuring accurate tracking of vitals, medication adherence, and symptom reporting.
- Collaborated with multidisciplinary healthcare teams to develop and implement individualized care plans.
- Ensured strict compliance with HIPAA regulations through meticulous Electronic Health Record (EHR) documentation and secure data handling.
- Escalated critical patient concerns promptly to healthcare professionals to support timely clinical interventions.
- Monitored and evaluated team and individual performance, providing coaching and feedback to enhance productivity and care quality.

Trainer – Medicare Program

2020 – Present

Grupo Noa International

- Conducted comprehensive training programs on complex Medicare guidelines and HIPAA compliance policies.
- Evaluated trainee performance during onboarding and refined training materials based on assessment results.
- Improved overall training effectiveness and knowledge retention through continuous feedback loops.

Upwork

- Provided virtual administrative support to international clients across various industry sectors.
- Coordinated meetings, travel arrangements, email management, and professional client communication.
- Conducted market and operational research, presenting clear data-driven recommendations.
- Managed residential and commercial property operations, inspections, and tenant relations.
